MLS Part #: 272600 Price: \$765.00

The below listed trim saw is, in my opinion, the **BEST** trim saw on the market today!!!!

## FS8-C TRIM SAW by Lortone

This trim saws provide a spacious work table and sintered blade can accommodate larger slabs. To clean, just lift up the table and slide out the coolant pan. This is the easiest trim to clean I have ever used. Complete units include hood, vise, belt guard, belt and 1/3 Hp. Motor, 115 VAC, Requires 4 1/2 quarts coolant. This saw comes in 2 configurations, semi-stainless steel (Table) or all Stainless Steel. The semi-stainless steel constructed saw, you must use **OIL** as a coolant. The all stainless steel saw you can use **WATER or OIL** coolants.
